Mr. Muhammad Khan
Senior Manager, EHSS
SABIC High Performance Plastics
1 Noryl Avenue
Selkirk, NY 12158

Dear Mr. Khan:

I am pleased to approve SABIC High Performance Plastics in Selkirk, New York for continued participation in the Occupational Safety and Health Administration's (OSHA) Voluntary Protection Programs (VPP) as a Star participant.

Enclosed is a copy of the VPP Onsite Evaluation Report upon which I based my decision plus important VPP information.

Participants of VPP serve as models for other employers and workers by operating excellent safety and health management programs. Achieving a level of worker protection that goes beyond compliance with government regulations is commendable.

Congratulations on your dedication and the involvement of workers in the prevention of injuries and illnesses. I encourage you to share your successes with others and continually improve your safety and health efforts.

Sincerely,

Richard Mendelson
