Version: December 1, 2021

The recommendations or regulations mentioned above refer to the final materials and articles that directly contact the drinking water.

This declaration however, is restricted to **SABIC® PP 513A - 00900** as it leaves the production facilities. This declaration does not cover:

- any substance subsequently added by the converter,
- poor material or end product due to inexpert manufacture by the converter
- any negative influence of the finished article on the organoleptic properties of the drinking water.

Please note carefully that Regulations develop continuously and that SABIC declarations may be adapted accordingly. This declaration replaces all previous versions relating to this subject and product, and will be valid for a period of 3 (three) years, after which it will automatically expire.

If you have any further questions, or require any additional information on the above, please use the *[“Contact Us”](#)* form on the SABIC website. Select *[“Regulatory”](#)* as option under *[“What is the nature of your inquiry”](#)*. The form is available via <https://www.sabic.com/en/contact>.
